GoodLife Fitness - Corporate Wellness Program

GoodLife
CORPORATE WELLNESS

VRA Ontario would like to help support our members in achieving their health and wellness goals. Because of this, we are considering a Corporate Membership program with GoodLife.

Memberships through this proposed program would give members of VRA Ontario access to over 300 locations nationally (GoodLife Fitness & Energie Cardio in Quebec). Towel service would also be included at clubs offering this service.

If we move forward with this program there will be two options available.

\$499.00 + tax if dues are paid up front, or, \$24.00 + tax to be paid via 26 biweekly payments (624.00 + tax).

There will be no enrollment fee for this program. Should we move forward, registration will take place via an online portal.

Please complete the survey in the link below prior to February 23rd, 2018 in order for us to move forward with this offer.
