Established in 1994, D&D Disability Management is a Canadian owned and operated disability management consulting firm providing national services. We specialize in the provision of Independent Medical, Occupational and Vocational Assessments. Our customers include insurers (including WSIB), employers and lawyers. We are currently seeking Vocational Assessors throughout Ontario to accept referrals on a contractual basis. The successful candidate must have a minimum of five years vocational testing experience as well as experience and the qualifications to assess WSIB Injured Persons. Interested candidates should email their resume or CV to jobs@dddisability.com.
